Data collection

Please read this document carefully before using Specinator ("website", „service") ope-rated by Specinator.net („us", ,we", „our").

Data collected

Specinator.net reserves the rights to collect data about the user's device. This includes, but is not limited to data about your hardware components and software info. Due to this, all data collected is GDPR valid.
If an user decides to connect the data to their Discord account, their data automatically becomes identifiable, therefore can also be removed on user's request (see Data modifi-cation below).

Data usage

Specinator.net reserves the rights to use data collected above for the purpose of sharing device specifications on „Shareland" (shareland.specinator.net) and including them in stats.

Data modification

Specinator.net reserves the rights to remove or modify data posted by users for any reason. These reasons include, but are not limited to incorrect data posted by users, or violating our Terms and Conditions.
Data posted by anonymous users is not possible to be removed on request, due to the data being anonymous.
Only data posted by users with a connected Discord account can be removed on request. For data removal requests, please use our contact page.
